media at its **best...**

Engineering journals and exhibitions at the heart of manufacturing.

Drives&Controls

The leading magazine for Automation, Power Transmission and Motion Control. 18,000 (ABC Audited – 100% requested) contacts within Design, Corporate Management, Research & Development, Purchasing, Sales & Marketing, Education and Consultants.

Main activities in Aerospace, Building Materials and Construction, Electrical Electronic Manufacturing, Food Drink and Tobacco, Utilities, Health Service, Mechanical Engineering, Oil & Gas, Pharmaceutical, Printing & Paper and Transport.

www.drivesncontrols.com

Hydraulics & Pneumatics

The Journal for Fluid Power and Systems. Covering the latest in mechanical and electro-mechanical equipment - everything from hose, fittings & swaging; hydraulics cylinders; valves; pumps and filters; to pneumatic actuation; electro-mechanical hybrid equipment; fieldbus technology; plus full systems and design & simulation software.

10,000 (ABC Audited – 100% requested) contacts within UK fluid power industry, ranging from manufacturers, OEM, resellers and end users. Applications: Offshore, Construction, Agriculture, Maintenance, Automation, Public Utilities, Marine, Automotive Construction, Civil Engineering, Retail, Medical and Aerospace.

www.hpmag.co.uk

The UK's leading industrial maintenance magazine with nearly 10,000 ABC audited readers (100% requested). The only magazine in the sector to reflect the size of the market. Areas covered include: Asset management, maintenance, energy efficiency, plant infrastructure, health & safety, materials handling. Reach buyers and specifiers featuring plant/ works/ maintenance engineers, managers and directors covering the full chain of command within the market.

Smart Machines & Factories is the UK's first and leading dedicated journal focusing on Digitisation (4IR) and transforming to a smart manufacturing era.

10,000 contacts covering Aerospace, Shipbuilding & Marine, Defence, Electrical Electronic Manufacturing, Food Drink and Tobacco, Utilities, Health Service, Mechanical Engineering, Oil & Gas, Pharmaceutical, Printing & Paper and Transport.

www.smartmachinesandfactories.com

Over 100,000 contacts to select from. Subscribers to the leading brands in their respective fields.

Visitor data to Drives & Controls Exhibition,
Fluid Power & Systems, Smart Industry Expo,
Air-Tech and Plant & Asset Management Exhibitions

13,518 visitors attended the 2018 DFA Media
co-located engineering events offering the
opportunity to contact current and identified
buyers from a range of UK industries.

Drive your business to your Buyers

Once you have identified the areas of interest from the DFA Direct count form, chose from the following options...

► List rental

Send a targeted message with impact to your identified market through an independent mailing house.

Price £210.00 / 1000 (Minimum order value £390)

Fulfilment service available

► Loose insert distribution

Use the regular and anticipated distribution to DFA Manufacturing Media's magazine circulation – Drives & Controls 20k, Hydraulics & Pneumatics 10k, Plant & Works Engineering 10k, Power Electronics 16k, Aftermarket 22k and Offshore Design & Engineering Equipment 10k

Price £195.00 / 1000 (Minimum order value £390)

Fulfilment service available

► E-Mail Campaign

- Measure your campaign to the second with traceable results and data capture opportunities
- Harness interest from client immediately
- Build your database with fast and popular option
- Simply send HTML copy and distribute at agreed time and audience on your behalf
- Full reporting to follow within 48 hours

Prices up to 3k – £420.00 3-5k – £385.00 / 1000 6-10k – £325.00 / 1000 10k+ – £275.00 / 1000

(Minimum order value £650)

► Lease

Create bespoke option to rent list for email or postal campaigns on 6 or 12 month basis. Please call to enquire further.
